

RESOLUTION 2025-39
Amending the 2025 Public Works Capital Budget for the
N. High Point Road Traffic Calming Project

Whereas, the City of Middleton 2025 public works capital projects fund budget includes \$35,000 for traffic calming improvements on N. High Point Road; and

Whereas, bids for the N. High Point Road traffic calming project were opened on July 17, 2025 with the qualified low bid submitted by Parisi Construction in the amount of \$67,080; and

Whereas, on July 28, 2025 the Public Works Committee reviewed the bid results and recommended that the Finance and Personnel Committee and Common Council award the bid to Parisi Construction in the amount of \$67,080 and amend the budget in the amount of \$32,080 to provide the additional funding needed for the project; and

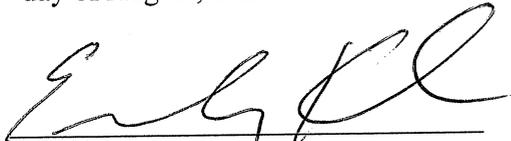

Whereas, the Public Works Department estimated that there will be sufficient savings on the 2025 bridge repair budget to allow for a transfer of \$32,080 to the N. High Point Road Traffic Calming Project.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS: That the City Council hereby authorizes the following amendment to the 2025 Public Works Capital budget.
