

RESOLUTION 2025-25
Amending the 2025 Water Utility Budget for the
6300 University Avenue Water Main Project

Whereas, the City of Middleton 2025 water utility capital budget includes \$825,000 for water main replacement for the Franklin Avenue reconstruction project; and

Whereas, following the adoption of the 2025 budget it was determined that an additional section of water main near 6300 University Avenue is in need of replacement due to its age and frequency of breaks; and

Whereas, on April 28 the Public Works Committee recommended authorizing the use of water utility funds not to exceed \$29,900 for a task order with Strand Associates for engineering design services for the water main near 6300 University Avenue; and

Whereas, on the Public Works Committee further recommended that the Finance and Personnel Committee consider a budget amendment to fund the replacement of the section of water main near 6300 University Avenue; and

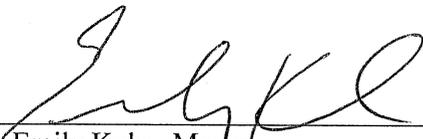

Whereas, the total cost of replacing the section of water main near 6300 University Avenue is estimated at \$105,000 including \$30,000 for design and \$75,000 for construction.

NOW THEREFORE BE IT RESOLVED AS FOLLOWS: That the City Council hereby authorizes the following amendment to the 2025 Water Utility Budget.

General Fund Budget

Item	Current	Adjustment	Revised
