

Dog Parks Information:

The City of Middleton ordinances allow for pets on leash on all trails in city parks and/or conservancy areas. It is our hope that pet owners will use this facility on the permit basis provided. Public Lands staff will have the ability to enforce the annual and daily permit system at the pet area.

The dog exercise area is part of the 146 acre Metropolitan Refuse District (MRD) property that is co-owned by the City of Middleton, Village of Shorewood Hills and Village of Waunakee. The Off-leash dog park provides a 20 car parking lot, shade shelter, picnic tables, drinking water, fenced agility course, self registration, portable restrooms, dog waste disposal bags and mowed trails. The facility has been open to the public since August 11, 2001. A 3-acre small dog area opened for use in 2013 (see map).
