The following report contains offenses that are attempted and offenses that not tracked by the State of Wisconsin to allow the most accurate allocation of police resources. These offenses are being constantly investigated and are subject to change as more accurate information is gathered. January 2021 there was a switch from report to UCR to IBRS. This had many changes to the offense category. Assault-Sex is not broken down into more specific categories such as: Sex-Exposure, Sex-Fondling, Sex-Statutory, etc. Robbery is no longer broken out and is now just robbery. This is why you may see 0's prior to 2021 and not in prior years.
